

STUDENT CLINIC

An Open letter to Our Valued Clients....

Clinic Guidelines

Dear Clients,

Welcome to the Student Clinic. We are sure you will find your massage relaxing. Our students are quite proficient and have been tested thoroughly by their instructors before beginning their clinic rotation. Instructors will be present to observe students during the massage.

When calling to make appointments, please be sure to call the ***Student Clinic at 732-936-0195***. We do check our messages often and promise to return your call as soon as possible. Kindly keep in mind that when clinic is not in session there is no need for someone to always be in the office.

Dear Clients,

We do have some very important rules and guidelines. Please take a moment to review them. Thank you for attending the ITM student clinic.

- Clients must be ***18 years*** of age
To receive a massage at our school.
- First time clients should arrive 10 minutes early. We require all of our clients to fill out a confidential information form
- If you are pregnant, you ***CANNOT*** receive a massage at our clinic, however, we can refer you to a certified therapist in the area
- Please advise the clinic supervisor of any changes in your health. There are certain conditions where massage is not beneficial.

- The school reserves the right to decline giving a massage to a client who exhibits inappropriate behavior; has a questionable condition; or insists on a treatment by a student that is not approved for the student clinic.

- ***Therapists cannot be requested by gender.*** We appreciate your patronage; however, the purpose of our clinic is to give students the opportunity to practice Swedish massage technique on as many different clients as possible.

- ***Please pre-pay \$35.00 tax included***
Receipt available upon request. We would like to relieve some of the congestion that can build up with several clients in the front reception area. **When your massage is completed you will need to fill out a student evaluation form before leaving and you may also make another appointment with the clinic supervisor.**

- Please do not bring children to the clinic we are unable to provide childcare in the clinic office.

- Please do not bring cell phones or beepers to the clinic.

- Tips are not expected but are greatly appreciated.

Thank you!

***In case of bad weather please call the clinic phone for cancellations.
